H R H Prince Hassan bin Talal

Your Royal Highness,

Assalaam Alaikum wa Rahmatullah wa Barakatuhu.

I have separately submitted an appeal to His Majesty King Hussain, entreating him to exercise clemency in the recent cases where the State Security Court of Jordan has sentenced eleven persons to death and fourteen others to terms of imprisonment.

Relying on your keen sense of judgement and spirit of support to deserving cases, I am writing this to seek your indulgence for extending every possible means of help to have my appeal speedily considered for the release of all these persons.

May Allah in His beneficence richly reward you.

Please accept my best wishes for your health, happiness and success in the service of Islam in the New Year.

Yours sincerely,

Salem Azzam
